DETAILED ACTION

1. This Office Action responds to Applicant's amendment after-final filed on 8/13/2004 and interview conducted on 8/12/2004 and 9/3/2004. Claims 1-20 are pending, wherein claim 12 has been amended. Claims 1-20 have been examined and are allowed.

Allowable Subject Matter

2. **Claims 1-20** are allowed.

3. The following is an examiner's statement of reasons for allowance:

As per **claims 1-20**, Applicant's amendment and arguments filed on 8/12/2004 set forth the patentability of Applicant's claimed invention, wherein as pointed out by Applicant, the prior arts made of record failed to teach or suggest the inventive steps/means of identifying, selecting, solving and training as claimed (see Amendment filed on 8/12/2004, pages 6-12; Interview conducted on 8/12/2004). Other prior arts made of record similarly failed to teach or suggest the inventive steps/means as claimed. Accordingly, the claimed invention is novel and un-obvious over the prior arts made of record.

Conclusion

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
